

PRESIDENT ANDREW JACKSON

February 25, 1791: Alexander Hamilton, as Secretary of the Treasury, pushed a bank Bill through Congress to establish the **First Bank of the United States**.

While most consider Hamilton as one of our founding fathers and look up to him, Hamilton, a Jew, was the illegitimate child of a Scot named James Hamilton and Rachel Fawcett Lavien, who was married to a John Michael Lavien. John and Rachel married about 1745 on the island of St. Croix, but in 1750 he had her thrown in jail for adultery, claiming later that she had “given herself up to whoring with everyone.” Released from jail, she left her husband, moved to another island and took up with James Hamilton. They never married, but she took his last name ...

Proven by documents in the British Museum, Alexander Hamilton received payment from the Rothschilds for his help in getting the US government involved with the international Jewish bankers.

January 24, 1811: Congress debates renewal of the charter for **The First Bank of the United States**.

March 4, 1811: **The First Bank of the United States** is closed. As a result, the House of Rothschild, who had controlling stock, loses millions. This enrages Nathan Rothschild who then convinces the British Parliament to retake the colonies thus starting the **War of 1812**.

May 11, 1812: British Prime Minister Spencer Perceval, is slain by an assassin named John Bellingham. Because Perceval, a devout Christian, was decidedly against entering into the **War of 1812** The Jewish bankers of England had Prime Minister Spencer Perceval assassinated.

June 18, 1812: Backed by Rothschild money, the British declare war on the US.

December 5, 1815: President Madison proposes a **Second Bank of the United States**.

January 7, 1817: Congress creates the **Second Bank of the United States**.

**ANDREW JACKSON vs. NICHOLAS BIDDLE an agent of
the House of Rothschild**

THE ROTHSCHILD AGENT, Nicholas Biddle was the main proponent for central banking. Biddle lived in France during the ages of 19 thru 24, where he came under the influence of Nathan Rothschild. In 1822, under President James Monroe, Biddle became president of the **Second Bank of the United States** located in Philadelphia.

In 1828, soon after his election as President of the United States, President Andrew Jackson began an investigation of the **Second Bank of the United States**. President Jackson knew that the bank was privately owned with stockholders from foreign nations who had political agendas at odds with the United States. President Jackson, an avowed Christian, had this to say about the Rothschilds: **“You are a den of thieves vipers, and I intend to rout you out, and by the Eternal God, I will rout you out.”**

The battle raged and by 1832 when Jackson was up for re-election, the bankers tried to get passed a Bill to renew the bank. But Jackson vetoed the bill and made a speech concerning the event:

“More than \$8,000,000 of the stock of the bank is held by foreigners who are more dangerous than the military power of an enemy.”

In 1832, when Jackson ran for re-election and, despite Jewish bankers pouring over \$3,000,000 into Henry Clay’s campaign against him, Jackson was re-elected.

PRESIDENT ANDREW JACKSON vs. JEWISH BANKERS!

IN 1833 PRESIDENT ANDREW JACKSON STARTED REMOVING the government's deposits from the Rothschilds' **Second Bank of the United States.**

In January 1835, Jackson had paid off the final installment of the National Debt. Jackson needed now only to complete the final removal of all US deposits in the Rothschilds' Central Bank.

On January 30, 1835, Richard Lawrence, an assassin in the hire of the Rothschilds, tried to kill President Jackson but failed.

President Andrew Jackson then removed **all** the Government deposits in the Jewish **Second Bank of the United States** and it collapsed. President Andrew Jackson had conquered the Jews!

It wasn't until 1913 that the Jewish Bankers returned, stronger than ever, with their privately-owned **Federal Reserve Bank.**

Where are leaders like President Andrew Jackson today with the guts to come forward and stop the Jews?
